JUNIOR SERVICE LEAGUE OF SUMMERVILLE

To Whom It May Concern:

"It has been said that "the real importance of 'living in community' is that people—and groups of people— develop the ways and means to care for each other, to nurture the talents and leadership that enhance the quality of community life, and to tackle the problems that threaten the community and the opportunities that can help it." (ASPEN INSTITUTE 3/96)

The Junior Service League of Summerville, through its individual and collective efforts, strives to foster a spirit of volunteerism and to improve the community through effective action and leadership of trained volunteers. The purpose of this organization is exclusively educational and charitable.

As we celebrate our 32nd year, The Junior Service League of Summerville is pleased to host our signature fundraising event, The Derby Party. This year's event is planned for Saturday, May 1, 2021 at Historic Linwood Inn and Gardens.

This beautiful Victorian Estate tucked away in Downtown Summerville will be the perfect backdrop for this year's Derby Party, which will feature live viewing of the Kentucky Derby, entertainment by Steve Simon & The New South Jazzmen, beer, wine, & signature mint juleps along with Derby inspired cuisine by Salthouse Catering, raffle, silent and live auctions. As is tradition, JSL Summerville will continue the presentation of the John Tupper Award in recognition of outstanding community service and involvement.

The proceeds from this highly anticipated event will go to support and fund grants for our partner civic organizations. In 2020-2021 those partners include: Clap Your Hands, Dorchester Children's Advocacy Center, Dorchester Coutny Community Outreach, Dorchester Habitat for Humanity, Dorchester PAWS, Flowertown Players, HELP of Summerville, Katie's Krops, Magdalene House of Charleston, Meals on Wheels of Summerville, Public Works Art Center, Summerville Miracle League, Summerville Orchestra, Summerville YMCA, & The Ark of Summerville. Last year, even with having to cancel the event due to COVID, we were still able to provide grants to our partner organizations. These organizations depend on us for financial assistance in order to better our growing community.

We are making a difference, but to continue the work ***we need your help!***
