

Service Organization Review Committee

Organization and Grant Application

The Junior Service League (JSL) of Summerville strives to improve the Summerville community through leadership, volunteerism, and fundraising. Each year, JSL opens up its application process in search of organizations for JSL to support in the upcoming year, and to offer grants to the current approved organizations. JSL welcomes any nonprofit to submit an application to become an approved organization. Approved organizations receive support from JSL through volunteer hours, donated items, and the opportunity to apply for grants.

If you are not currently an approved organization, please only submit Section I. If you are currently an approved organization, please complete Section I, II, and III.

All applicants must also provide a financial statement from the previous financial year.

All applications should be returned to JSL of Summerville via email at sorc@jsslsummerville.com or mailed at PO Box 2174, Summerville, SC 29484 and be postdated no later than April 1.

Feel free to fill in the blanks below, or create your own document and answer all questions.

SECTION I

Organization: _____

Mailing Address: _____

Email Address: _____
